

2.2.1 Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students

Rahul College of Education begins its assessment process as soon as the student teacher comes in for admission. There is a pre and well structured plan to identify the learner’s readiness to undergo a professional education program. Rahul College of Education caters to their diverse needs and also academic support provided to them through a Diagnostic and Remedial procedure.

During the admission, the incoming students are allotted by the Government of Maharashtra through the CET examination followed by the CAP. At this juncture, RCOE has no control over the assessment process. However, when the students come in for admission, the admission committee checks the necessary documents, verifies them with the original.

Face-to-Face Interaction: Face-to-Face interactions with students are crucial in understanding their individual backgrounds, motivations, and expectations. These interactions provide the faculty insights into the students' communication skills, interpersonal abilities, and their

commitment to pursuing a career in education. It also offers an opportunity to address any concerns or queries they may have regarding the program.

Content Test: This test evaluates the foundational knowledge and subject-specific skills of students. It helps in identifying areas where students may have knowledge gaps or require additional support. The results of these tests serve as a baseline to tailor the academic support provided to each student.

Induction Program: It serves as an orientation for students, introducing them to the institution, its culture, and its academic expectations. During the induction program, students are made aware of the various academic support services available to them, such as libraries, mentoring services etc This program helps students acclimatize to the academic environment, fostering a sense of belonging and reducing anxiety.

Mentor-Mentee: Faculty actively engages with student teachers' needs and challenges, adopting an accommodating approach to understanding individual learning. Regular mentor-mentee meetings as a center for fostering understanding, where discussions encompass academic progress, personal goals, and challenges faced by each resilient mentee.

Remedial Teaching: Remedial teaching is then throughout given to students with different learning styles. Academic flexibility is given to students who face challenging situations during the course.

Personality development orientation: Orientation is given at the entry level since they used to be shaped as future teachers. RCOE commences such training and orientation from day one so that there is holistic development of teachers.

Value-added course: RCOE caters to the holistic development of the learners enhancing their knowledge through developing skills through value-added courses, like Expert Talks, and Orientation Program developing their soft and life skills. The Principal and staff try to enhance their attitude to become effective students and leaders both locally and globally.

Formative and Summative: To guarantee thorough learning, RCOE's assessment procedure consists of both formative and summative assessments. Regular formative assessments are carried out to track students' development and give continuous feedback. These could consist of homework, tests, and class activities. Summative evaluations, including final projects and tests at the conclusion of the term, assess students' overall knowledge and comprehension of the material covered in the course.

Classroom Discussion and Participation: To foster critical thinking and communication skills, students are encouraged to actively participate in class discussions. Students participate in more in-depth discussions, debates, and group projects with the course material. This collaborative learning atmosphere is fostered and comprehension is improved by the use of participatory technique along with confidence building.

Student Committee Participation : Getting students involved in a variety of committees is essential to their growth at RCOE. Participating in committees such as the Academic Council,

Cultural Committee, and Sports Committee gives students the chance to lead, participate in decision-making, and plan activities. Participation in this activity fosters responsibility, teamwork, and organizational abilities, setting them up for both personal and professional success.

TRANSITION 2K23 18th March, 2023

“Competition makes us faster; Collaboration makes us better”

The Transition 2k23 - Escape the Ordinary an Annual Inter Collegiate Competition was organized and hosted by the Rahul College of Education on March 18, 2023, and included activities such as singing, dancing, and a personality pageant. Through this event, we wanted to create awareness among the youth about the diversity of talent and to showcase their expertise on a common platform. The event was a great success, with maximum participation from the various education colleges across Mumbai, such as the Royal College of Education & Research for Women, which received the "Best College Award" in the event; Shri. L. P. Raval College of Education & Research, which received the award for the maximum participation in the event; and Bombay Teachers Training College, St. Xavier's College of Education (autonomous); and Thakur Shyamnarayan College of Education & Research. The event was inaugurated by the Chief Guest, Dr. Mayur Dubey, Director for Innovation, Incubations, and Collaborations at Rahul Education. We had the opportunity to meet the people from the entertainment and fashion industries who judged the competitions. Ms. Jyoti Choudhary for personality pageants (Bravura), Mr. Shashank Gawade for solo dance (Solitary—Ace), and Mr. Atharva Joshi for solo singing (Croon—King). The event was blessed with the kind presence of our respected Smt. Krishna Tiwari Ma'am, Joint Secretary Rahul Education, and our young, dynamic leader, Mr. Utsav Tiwari Sir, COO Rahul Education, at the valedictory ceremony honoring the winners of the competition. The event ended with lots of good memories to cherish; it also helped the students of our college as well as the participants to develop and grow themselves as better individuals and as better educators.

Report on Students' Orientation Program

The Orientation for the students of Academic Year 2022-23 at Rahul College of Education was conducted with great enthusiasm and warmth to welcome our esteemed first-year students. The program commenced with a warm and heartfelt welcome by Mrs. Sanjana Mishra, Principal of Rahul College of Education.

Students were provided with a comprehensive overview of the college's codes and procedures. This session aimed to ensure that students were well-acquainted with the rules and regulations that govern RCOE. The faculty members introduced themselves and provided an overview of their respective subjects. This session allowed students to familiarize themselves with their mentors.

A detailed presentation on the B.Ed course, including its structure, curriculum, and examination pattern, was provided. The importance of course learning outcomes and program learning outcomes was explained to students. This session emphasized the skills and knowledge they would acquire during their studies.

The academic calendar for the year was unveiled, enabling students to plan their studies and other activities effectively.

Second-year B.Ed. students showcased their talent through a dance performance between Indian and Western music and a skit, entertaining and inspiring the newcomers.

Students were introduced to the various student committees, including the Cultural Team and Sports Team.

Mr. Yigal Banker provided valuable insights and guidance to the new students. His experiences and wisdom were highly motivating. The heads of various student teams and committees introduced themselves and emphasized the importance of student participation and leadership.

Report on Students' Orientation Program

The Induction Program for the Academic Year 2019-20 at Rahul College of Education (RCOE) marked a significant and warm welcome to our esteemed first-year B.Ed. students. This report summarizes the key highlights and activities that took place during this essential event.

The program commenced with a warm welcome and opening remarks by Dr. B.S. Panigrahi, I/C Principal of RCOE. His message set a positive and inspiring tone for the event.

Second-year B.Ed. students showcased their talents and creativity through a welcome dance, which added a vibrant and festive touch to the program.

Students were then introduced to RCOE's institutional codes and procedures. This session emphasized the importance of compliance with the college's rules and regulations such as maintaining quality of the academic work, attendance, examinations integrity, and representing the college in the society.

Through a representation of ramp walk, a fun activity was organized by the SY B.Ed. students wherein the Faculty members from various departments introduced themselves by defining them with an adjective. They further went on to provided an overview of their subject, its outcomes and objectives, the assessment etc. This allowed students to become familiar with their future mentors.

A comprehensive presentation covered various aspects of the B.Ed. course, including course outcomes, program outcomes, and the academic calendar. Students gained a clear understanding of the course structure and expectations.

We extend our gratitude to Dr. B.S. Panigrahi, I/C Principal, and Mr. Yigal S Banker, IQAC Coordinator, SY B.Ed. Students, faculty members and FY B.Ed. students for their guidance and contributions to this event. Their presence and insights added immense value to the program and underscored RCOE's commitment to academic excellence.

Warm regards,

Mr. Yigal S Banker,
IQAC Coordinator.

Report on Students' Orientation Program

Ref.No. OW.RCOE.75.2018

Date : 10.08.2018

The Students' Orientation Program for the Academic Year 2018-19 at Rahul College of Education was conducted with the primary objective of welcoming new students and providing them with essential information and resources to facilitate a smooth transition into college life. The program, held on 10th Aug 2018, was a resounding success.

The orientation program began with a warm welcome by the GS of the Student Council. Mr Banker, the IQAC Coordinator then introduced the college's leadership team, including the faculties.

Students were provided with an overview of Rahul College of Education including its history, mission, and vision. Faculty members then presented detailed information about their respective subjects, its objectives and outcomes and the assessment pattern.

Students were then addressed regarding the academic policies, including attendance requirements, grading systems, and maintaining the academic integrity. Students had the opportunity to clarify any doubts and ensure a clear understanding of the college's academic regulations.

The Students' Orientation Program for the Academic Year 2018-19 was instrumental in helping new students integrate into the college community smoothly. It provided them with valuable insights, resources, and a sense of belonging from the very beginning of their college journey.
