Report on Diwali Celebration at Rahul College of Education

On the occasion of the festival of lights RCOE conducted a 5 days Skill and Capacity Building Workshop under the theme "Festival of Lights: Illuminate Your Creative Skills. On October 26, 2024 the celebration was the grand finale of a five-day workshop, aimed at nurturing essential skills in student teachers aligned with Sustainable Development Goals (SDGs) and 21st-century competencies. Each day highlighted a different art form— Day 1-Card making, Day 2-Diya decoration, Day 3- Kandil and festoon crafting, Day 4-Poster Making , and Day 5 Rangoli making—fostering creativity, teamwork, cultural awareness, and problem-solving. The activities develop fine motor skills, artistic expression, visual communication, and planning and organization, essential for holistic personal and professional growth. On the final day, students proudly showcased their crafted diyas, lanterns, and posters, embodying creativity, sustainability, and collaborative efforts. Chairman Shree L.R. Tiwari attended as the chief guest, inspiring the audience with insights on the importance of integrating traditional crafts into modern education to promote cultural heritage and environmental consciousness. Throughout the celebration, students engaged visitors in meaningful discussions on the skills they acquired, reflecting their understanding of SDGs, such as sustainable consumption and quality education. This event, which merged cultural appreciation with skill development, left all participants with a deeper appreciation for both tradition and the essential 21st-century skills of creativity, collaboration, and communication.
