Report on Beach Cleaning Drive at Bhayander East Creek

Date: 8 January 2026

Venue: Bhayander East Creek

Organized by: Rahul College of Education

Introduction:

Rahul College of Education organized a Beach Cleaning Drive as part of its community service and environmental awareness initiative. The activity aimed to promote cleanliness, environmental responsibility, and awareness about marine pollution among students.

Objectives of the Event:

The event was organized with the following objectives:

- To promote environmental responsibility and cleanliness among students.
- To create awareness about marine pollution and its long-term impact.
- To encourage students to participate in community service activities.
- To foster values of social responsibility and teamwork.

Event Details:

Students reported at the venue at 8.00 a.m. and actively participated in cleaning the surrounding creek and park areas. Equipped with gloves, masks, and other safety measures, students collected plastic waste, dry litter, and non-biodegradable materials. The drive was conducted systematically and responsibly.

Students participated enthusiastically and worked collaboratively, reflecting strong social commitment and teamwork.

Outcome:

The event resulted in a visibly cleaner area and enhanced awareness regarding environmental protection and civic responsibility.
