REPORT ON GREEN CAMPUS DAY CELEBRATION

Date: 10th July 2025

Venue: College Campus

Objective of the Program:

- To raise awareness about environmental conservation and the significance of green practices.
- To instill a sense of responsibility towards nature among students and staff.
- To promote creative expression through eco-friendly initiatives.

Program Details:

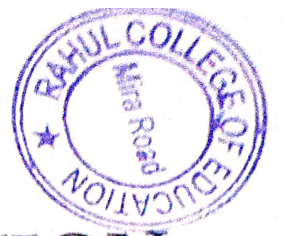

The **Green Campus Committee**, in collaboration with the **Student Council** and **DLLE Committees**, successfully organized **Green Campus Day** on **10th July 2025** at **10:00 AM** in the college campus.

The event commenced with an inspiring message on the importance of sustainability and our collective responsibility to preserve the environment. The celebration featured two major creative competitions:

- **Digital Poster Making**
- **Handmade Poster Display**

Students showcased their creativity by designing impactful posters highlighting themes such as afforestation, climate action, zero-waste lifestyle, and green living.

The highlight of the program was the **Tree Plantation Drive**, wherein students and faculty members came together to plant saplings across the campus. This initiative symbolized hope, growth, and the college's ongoing commitment to creating a greener, cleaner future.

Outcomes of the Program:

- Increased student awareness and engagement in environmental protection efforts.
- Strengthened collaboration among committees, faculty, and students for social responsibility initiatives.
- Beautification of the college campus with new saplings that contribute to long-term ecological balance.
- Promotion of sustainable habits and environmentally-conscious thinking among youth.

The event was a great success, combining education, creativity, and action, reflecting the institution's dedication to sustainable development.
