Second Term Training Programme for Extension Work Teachers and Student Managers

Date: 05th December 2025

Venue: Sahyadri Shikshan Seva Mandal's Arts & Commerce College, Juchandra Road, Naigaon (E), District Palghar

Time: 10:00 a.m. to 03:00 p.m.

The Second Term Training Programme for Extension Work Teachers and Student Managers, organized by the University of Mumbai, was successfully conducted on 05th December 2025 at Sahyadri Shikshan Seva Mandal's Arts & Commerce College, Naigaon (E). The programme brought together participants from various colleges across Mumbai, Thane, Palghar, Raigad, Ratnagiri, and Sindhudurg districts.

The session began with a welcome address by the host college, followed by an orientation on the vision and objectives of the Department of Lifelong Learning and Extension (DLLE). Resource persons provided comprehensive guidance on the different DLLE projects, documentation norms, and university expectations for the academic year.

A key focus of the training was the **step-by-step explanation of the process for uploading documents** related to extension activities on the official DLLE portal. Participants were guided on preparing reports, compiling evidence, and ensuring error-free submission within the stipulated deadlines.

Additionally, detailed information was shared about the **Udaan Festival**, including its objectives, structure, participation guidelines, evaluation criteria, and important dates. The trainers elaborated on how Student Managers should prepare themselves and their teams for effective participation in Udaan, which is a flagship event of DLLE highlighting students' creativity, awareness-building, and social engagement.

From our institution, the Extension Work Teacher attended the programme along with Student Managers **Ms. Krutika Sawant** and **Ms. Kinjal Dubey**. Their participation helped them gain clarity on project execution, documentation procedures, event preparation, and their roles as student leaders.

The programme concluded with a question-answer session, distribution of reference materials, and closing remarks. Overall, the training proved extremely informative and will enable the smooth and efficient implementation of DLLE activities in the upcoming months.
